

FERTILIFE BENELUX B.V.

EU DECLARATION OF CONFORMITY

EU fertilising product:

Ammonium sulphate granular (lot: AS 1-22) categorized as PFC 1(C)(I)(a)(i): SOLID MINERAL MACRONUTRIENT FERTILISER.

Name and address of the manufacturer:

Fertilife Benelux B.V., Finlandweg 19, 4538BL Terneuzen, Netherlands, +31 (0) 115 74 50 98,
e-mail: info@fertilife.nl.

This EU declaration of conformity is issued under the sole responsibility of the manufacturer.

Object of the declaration:

Ammonium sulphate granular N(S) 21(24) is a granular fertiliser composed of ammonium sulphate $(\text{NH}_4)_2\text{SO}_4$, (CAS № 7783-20-2) originating from caprolactam production (CMC 11: By-products within the meaning of Directive 2008/98/EC).

The object of the declaration described above is in conformity with

- Regulation (EU) 2019/1009, and
- Directive 2008/98/EC.

List of relevant harmonised standards or common specifications used or references to the other technical specifications in relation to which conformity is declared:
